

YOUR ABILITY TO WITHDRAW FUNDS

It is our policy to provide you with the earliest access to your money within the guidelines of sound banking practices. Although we may delay the availability of certain funds deposited into your account, we adhere to federal and state banking regulations concerning such delays. When you deposit a check into your account, the entire amount is not always immediately available for your use in writing checks or making withdrawals or purchases.

DETERMINING THE AVAILABILITY OF A DEPOSIT

The length of the delay is counted in business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays. If you make a deposit before 2:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 2:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Later cut-off times may apply for deposits made at certain locations. The length of the delay varies depending on the type of deposit and is explained below.

ATM DEPOSITS

If you made a check deposit at a Solvay Bank ATM before 5:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. If you make a check deposit at a Solvay Bank ATM after 5:00 P.M., or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Cash deposits made at Solvay Bank ATMs are available immediately. All ATM deposits are subject to review which may affect availability. The length of the delay varies depending on the type of deposit and is explained below.

SAME-DAY AVAILABILITY

Funds from electronic direct deposits to your account will be available on the day we receive the deposit.

NEXT-DAY AVAILABILITY

Funds from the following deposits are available on the first business day after the day of your deposit:

- U.S. Treasury checks that are payable to you
- Wire Transfers
- Checks drawn on Solvay Bank

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit.

- Cash
- State and local government checks that are payable to you (if you request a special deposit slip from our tellers)
- Cashier's, certified, and teller's checks that are payable to you (if you request a special deposit slip from our tellers)
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day of your deposit.

OTHER CHECK DEPOSITS

The first \$275 from a deposit of checks will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit. For example, if you deposit a check of \$700 on Monday, \$275 of the deposit is available on Tuesday. The remaining \$425 is available on Wednesday. This example assumes no federal holidays

LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid
- You deposit checks totaling more than \$6,725 on any one day
- You re-deposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six (6) months
- There is an emergency, such as failure of communications or computer equipment

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available for withdrawal no later than the fifth business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from the deposits of cash, wire transfers, and the first \$6,725 of a day's total deposits of cashier's, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to request a special deposit slip from our tellers). The excess over \$6,725 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725 will not be available until the second business day after the day of your deposit.

Funds from all other checks deposited will be available on the ninth business day after day of the deposit.
